CONVENTION HALL

Exhibition

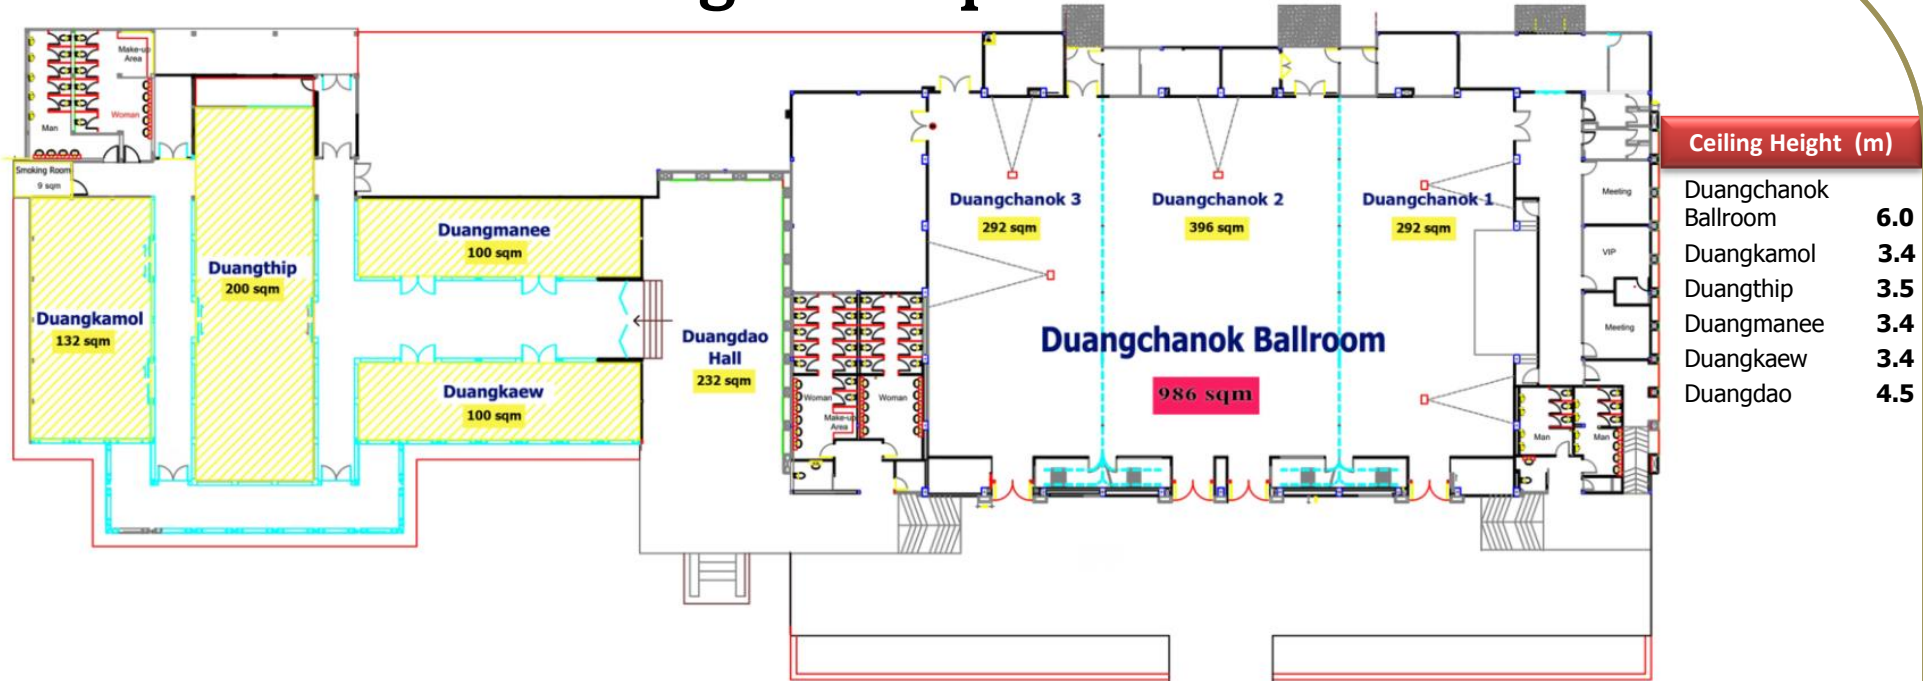

Duangchanok Convention Hall offers a range of options from large ballrooms and multiple break-outs to intimate boardrooms and generous pre-function space.

Duangchanok Convention Hall consists of three main buildings:-

1. Duangrada Reception Hall is ideal for gatherings of around 300 people.
2. Duangchanok Ballroom will comfortably accommodate 1200 guests but can be divided into three smaller rooms, each with identical facilities.
3. The Banquet Hall consists of four break-out rooms (Duangkamol, Duangthip, Duangmanee and Duangkaew) plus one open air hall (Duangdao Hall). All are perfect for smaller banquets or events.

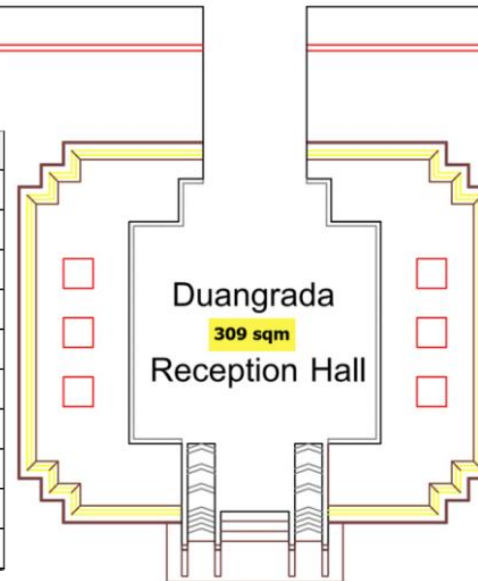

With our vast ballroom, banqueting halls and reception rooms, coupled with **Duangjitt Resort & Spa's** Banburee and Thom Thong restaurants, over 500 beautifully designed hotel rooms, three swimming pools and lovingly tended gardens, we are confident your event, whether an international exhibition or small training seminar, will be a huge success.
